Please confirm there is no medical repricing, only disrupt on.

There were two RFP numbers on the cover, there was RFP#5030ME and RFP#3050ME.
Please advise which is correct.

Is the CSU's current formulary with or without exclusions?

Please confirm CSU's situs state

Is CSU currently enrolled with a purchasing coalition or any other group prescription benefit providers?

Is CSU willing to carve out the pharmacy benefit from the medical benefit?

Aside from the items listed under "Basis to Quote", on Page 21 of 33, are there additional RFP questions?

Lastly, Page 24 of RFP PDF contains the following instructions 'it is important that data be returned in the designated Microsoft Excel format so that it can be readily compared to other vendors'. We are asking that this file/template be provided for usage.

No J codes carved out specifically today.

This is specific to MetroHealth/Skyway and those enrolled in the MetroHealth/Skyway plan.
