Chairman Rawson had the honor and pleasure of recognizing Student Trustee David I. Pendleton. He read and moved the following resolution, seconded by Vice Chair Moreno, and approved with applause:

RESOLUTION 2016-10

**RECOGNITION OF STUDENT TRUSTEE
DAVID I. PENDLETON**

WHEREAS, David I. Pendleton was appointed by Governor John R. Kasich to the Cleveland State University Board of Trustees as a Student Trustee for a term beginning August 1, 2014 and ending May 1, 2016; and

WHEREAS, David has been actively engaged in Cleveland State University as an electrical engineering honors program student and served in leadership roles in the CSU Student Alumni Association, CSU chapter of the Institute of Electrical and Electronics Engineers, and CSU Presidential Student Ambassadors; and

WHEREAS, David, through his campus work experience in the offices of Admissions and Career Services, and summer internships with GE Lighting, Rockwell Automation, NASA Glenn Research Center, Karpinski Engineering, and legal firm of Friedman and Gordon, has presented valuable insight and student perspectives on significant issues considered by the Board;

President Berkman reported that Trustee Paul led an effort, with students banding together to bring safe drinking water to Flint, Michigan, which received coverage on USA Today. The students collected 1,600 cases of bottled water to be transported on Saturday.

President Berkman noted that the scholarship funds raised by Radiance do make a significant difference in the lives of students who need a financial boost in order to graduate. It was reported that 1,223 students, with an average GPA of 3.26 and having completed 90 credits or more, received Radiance awards. It was also noted that 57% of those receiving the Radiance awards are also Pell Grant recipients.

The President reported that he is finding more familial connections to CSU as he meets with major donors. He read aloud letters of the granddaughter and grandson of a major donor he met with recently about their experience at Cleveland State University.

The President noted that the joint effort of the Greater Cleveland Partnership and Cleveland State University produced the first Internship Summit, which brought together 245 companies on February 10 to participate in a day-long workshop on internships. The Spring Job Fair was also noted to be a huge success, with 100 employers and about 1,000 students and alumni, a 75% increase over last spring. The Student Government Association organized a week of programs (i.e. resume building, interview techniques) leading up to the Job Fair.

President Berkman also reported that the Provost and the Faculty Senate are analyzing every single cooperative education course related to pricing and academic credit. A non-credit option, which would show on the transcript, but have no curricular expectation and no tuition, is expected to be made available to students.

In closing his report, President Berkman introduced Chief-of-Staff Bennett to provide an update on the Path to 2020 project and to present for Board discussion and input, a proposed detailed response to the Governor's Task Force on Affordability and Efficiency (Attachment A). The response is to be approved by the Board and submitted to the Chancellor by July 29, 2016. Members of the Board indicated approval of CSU's approach to take a more strategic and expansive view of efficiency, resulting in better use of resources and enhanced quality. Members felt it is important to broadcast CSU's cost-cutting initiatives. Trustee Taylor recommended that the project team work with Dan Napier to arrange a meeting to get initial feedback from public officials in Columbus before the report is due.

Chairman Rawson indicated that there should be more substantive discussion at the May meeting so that the report could be approved by July 1. He asked the Board Secretary to find possible meeting dates for a Special Board meeting.

PRESENTATION TO THE BOARD

Ms. Colette Hart, Senior Director of the Outreach and Engagement Center, presented an overview of the StartUp Vikes innovation and entrepreneurship program (Attachment B). She noted that the program was developed, simultaneously with the curriculum, three years ago, to provide a clear pathway to commercialization. The top three teams receive additional support and a cash infusion. She indicated that 13 companies have started in this way. She introduced Ahuja College of Business undergraduate student Brand Armstrong, who won last year and started his own company with the idea of producing a portable music recording studio. Brandyn introduced himself as a student, musician and rapper, and spoke of his StartUp Vikes experience. President Berkman announced that the StartUp Vikes program will soon be introduced to the Middle East (University of the Sacred Heart in Lebanon) as a means of stimulating economic development.

REPORT OF THE CSU FOUNDATION CHAIR

Trustee Kirk reported on fundraising results and campaign progress through January 31, 2016 (Attachment C) on behalf of CSU Foundation Chair Nancy McCann. He reported that, since January, over \$11 million has been raised, with \$690,000 raised toward the goal of \$1.25 million. He indicated that another \$1 million has been raised, since the end of January, bringing the Campaign total to \$85 million toward the \$100 million goal.

Trustee Kirk reported that the investments were down 4.3% in January and down 7.8% for the fiscal year. He noted an endowment total of \$69 million.

Trustee Kirk reported that CSU's Third Annual Giving Day was a great success, with 584 donors contributing over \$55,000, tying last year's total of \$36,000. He announced the Second

assistance. He noted that letters of appointment signed by the Board and use of the Weinberg Board Room as a meeting space were noted as means of making the visiting committee members feel valued. He also indicated that the bylaws of the visiting committees need to be reviewed and updated, and a draft would be completed at the next committee meeting in May.

Chairman Gunning presented the three candidates recommended by the Committee for approval by the Board to receive honorary degrees (Attachment E). Trustee Levin moved, and Trustee Kirk seconded, the motion to approve Norman Krumholz (Distinguished Emeritus Faculty Honorary Degree), Robert H.
